

Safety and security, beauty and style; this fifth-floor penthouse in the exclusive gated community of Caves Point in the western district of New Providence has it all. Conveniently located minutes from the Nassau International Airport, and close to several shops, restaurants, a medical clinic and pharmacy, this unique condominium offers 24-hour security and roll down hurricane shutters.

All rooms in this luxury apartment feature an open layout and large windows for maximum viewing enjoyment of the ocean. The open-beamed ceilings in the living and dining rooms compliment the coral sandstone-tiled floors. The kitchen comes equipped with brand-name appliances, a breakfast bar, Maple cabinets and granite countertops.

Brightly-lit, spacious bathrooms each feature marble floors and marble counter tops. Two Jacuzzis are available for your pleasure, as is the ocean view verandah that runs the length of the penthouse, and is accessible from the kitchen, living room, dining room and master bedroom.

This condominium also features a formal entrance with double arched Mahogany doors, a fully-equipped laundry room, and ceiling fans to help circulate the air cooled by two central air conditioning systems.

Caves Point amenities include a gym, three pools, and a beautiful beach.
