

This nine-year-old, two-story home is the perfect dwelling for a family looking for classy, practical living quarters in a quiet and secure area. It features an open floor plan with three bedrooms and two-and-a-half baths. Wonderful for entertaining large crowds! The great room is the ideal place for family gatherings, and features a high ceiling and a real, wood burning fireplace to enhance those cozy or romantic moments. The nicely landscaped and level fenced yard is an excellent, safe place for your kids and pets.

This impeccably maintained home is conveniently located near a small park with a jogging/walking path that makes it easy for you and your children to live an active, healthy life. Major highways (40 and 44) are just minutes away! The house also has an alarm system for your peace of mind, and it backs to a two-lane through street. Seller prefers a June closing.
